New Years Eve at Lester Field

Once again a group of club members spent New Years Eve at Lester Field. Bill Kinney and his Father in law cooked up a tenderloin that was wonderful. Loyd, Robin, Steve, Bobby Zieger, just to name a few were all present with their families as well. Dawn and Steve Ellzey even joined in the tradition coming down from the Dallas Fort Worth area to spend the eve with ARCA. Bob Covish and Bob Price set up their computers with the "real flight" rc flight simulators for everyone to try out. The "pot luck" dinner was terrific as well, thanks to all who brought something to contribute. All in all just another terrific example of what a great organization the Austin Radio Control Association is.
