Meeting Minutes

September meeting of the Austin Radio Control Association

Vice-President Pat Fernandez called the meeting to order at 7:00 PM. There were 16 members present.

The minutes of the August meeting were read and accepted as read.

There was no treasurer's report as Loyd was absent, but he told Pat that there was about \$4500 in the treasury

Old business:

Dave Traeger gave a report on the upcoming helicopter event, a helicopter kit will be purchased for the raffle and some night helicopter flying is scheduled. A field clean up is scheduled for October 2nd, come out and help if you can. Volunteers are needed to help with registration and concessions. The concession stand may be open on Friday and the pilots will receive a free lunch on Saturday.

Dick Maus reported on the Cub Scouts visit to the field September 23rd. There were about 30 to 40 Cub Scouts and parents. About 10 members showed to display and fly their airplanes and the Scouts seemed to really enjoy the show.

Pat talked about Waco and the GSWFF. There were 50+ pilots and lots of crashes, unfortunately. Bob Price received 3 awards for various categories and Mike Kulczyk won the Top Gun Award.

Pat also mentioned that the water buffalo will be fixed in time for the helicopter event.

New business:

Nominations for club officers next month and the AMA presidential election is coming. Safety officer question is on hold for now per AMA. Loyd thinks if the lodge raises the price of the hall too much, we may not be able to afford the Christmas party this year.

Blue Max nominees

Morris Duet running over Robin's airplane and Allen Scott for crashing his DC-3.

Morris won the Blue Max this time.

Steve Sarlls won the gift certificate door prize.

The meeting was adjourned at 7:30 PM.

Elections!

It is election time again! This month we will take nominations for all of the Austin Radio Control Association Officers and Members at large.

Come to the meeting and we will have burgers and hotdogs!

Also now is the time to vote for AMA president. Do not mail your ballot into the AMA, just drop the ballot in the mail seperately and it will find it's way to the third party pollster.
