## Meeting Minutes

### July meeting of the Austin Radio Control Association

Vice-President Pat Fernandez called the meeting to order at 7:00 PM. There were 19 members present. Pat asked that we all keep President Tom Sewell in our prayers in this trying time for Tom.

The minutes of the June meeting were read and accepted as read.

The treasurer's report for June was read and accepted as read.

### Old business:

There were only a couple of associate memberships received after voting that type of membership into the by-laws. Club will feed the Georgetown guests at the meeting they will hold at our field.

### New business:

There will be a field clean up on August 21st for the Big Bird event on the 27th-29th. Ken has mailed out flyers and requested help for the event. Donations of Coke products will be greatly appreciated also. Both the Big Bird and the helicopter events are appearing in the Model Aviation magazine.

### Blue Max nominees:

Bill Schultz for crashing his 91/2 biplane and Bob Covish for a fatal crash of Ken's Isobar. Bob won quite easily.

Ham donated a case of Powermaster fuel, which was raffled off, thanks again to Ham.

Pat Duffy won the door prize

The meeting was adjourned at 7:20 PM

## Helping Really Doesn't Hurt

We have two more events to put on this year. The next is this coming weekend in the "Fall Big Bird". Later in October we have the "Heli-fun-fly". We need volunteers to help both events run smoothly. Even if you can only help for an hour or so, please come on out and relieve those who will be flipping burgers or impounding radios for a bit. The appreciation from the pilot participants and the spectators really makes it all worthwhile.
