Monthly Publication of the Austin Radio Control Association

September 2004

## Meeting Minutes

### August meeting of the Austin Radio Control Association

President Tom Sewell called the meeting to order at 7:20 PM. There were 18 members present.

The minutes of the July meeting were read and accepted as read.

The treasurer did not have his report but stated that after buying supplies for the next two events there was approximately \$4000 in the club treasury.

### Old business:

The runway was striped and the Big Bird event is this weekend.

### New business:

The club feed about 36 members of the Georgetown club. Bob Covish and Sean Reitmeyer put on a turbine airplane show and presentation for the Georgetown club. Many positive comments were received from the Georgetown club members about the field and the hospitality of the ARCA members. September 9-12 is the GSWFF in Waco.

As Waco is hosting the AMA Grand Event in September 05, the club is not sure if they will want to host the GSWFF also. Naming a host for the GSWFF next year is on hold.

September 23rd the Boy Scouts will be at the field in the evening for a presentation, etc.

Robin, Bob and Jack have volunteered to help. The water buffalo needs some repairs, which we will do after the helicopter event in October.

### Blue Max nominees:

Bob Covish kept the Blue Max another month as no one crashed or no one saw anyone crash.

Curtis Byrd won the door prize, which he donated to the next new club member, whoever they are.

The meeting was adjourned at 7:45 PM

## Greater Southwest Jet Rally

Once again the Greater Southwest Jet Rally was held at Waco's HOTMAC field, and once again a tremendous job done by the club. There was a higher incident rate of any recent events, most pilot induced. Awards went to Mike Kulczyk, Bob Price, and Buck Garza (California). The following page has a few images from the event. More can be found in full color on the website.

**Next Meeting**  
Thursday Evening  
September 30 th  
7:00 pm  
at the Flying Field
