October 2005

## Meeting Minutes

September meeting of the Austin Radio Control Association

Vice-President Robin Masek called the meeting to order at 7:00 PM. There were 20 members present.

The minutes of the August meeting were read and accepted as read.

The treasurer's report for August was read and accepted as read.

Old business:

There was no old business to report

New business:

A vote for having the Xmas party this year was taken and we will have Xmas party. Big Bird/Warbird is going on schedule. Ken said that he would have event hats and shirts for sale. If you can help in any way come out as help is always needed. Ken hopes that we will get some media coverage. Clean up at the field Saturday.

The helicopter event is proceeding on schedule and Bob Price indicated that at least 15 pilots would be coming.

Nominations for club officers next month.

Blue Max nominee

Dick Maus crashed his 190 due to a low battery.

Curtis Byrd won the door prize, which he donated to the next new member.

The meeting was adjourned at 7:45 PM.

## President's Column

Well we have finished the fall events. It is quite apparent after the reduced turnout for both the Big Bird/Warbird and the Heli-fun fly that gas prices have really affected travel plans for modelers. Both events had far lower turnouts than previous years, including the absence of some long running attendees. But thankfully both events did make the club money after all the expenses were tallied. Thanks to Ken White and Bob Price for CD-ing the events. Robin and Loyd for the prep, shopping and concession stand running, and all the other volunteers who helped run two smooth events.

It is election time again, well at least nominating time. We will be taking nominations for the officers and members-at-large at the October meeting. Come out and participate in the process!

A little sad news. Long time member Murry Brandenburg will soon be leaving us here at ARCA for upstate New York. Apparently his children have purchased an apple orchard and he is leaving Austin to help them out. He has already scouted out the clubs in the area and is encouraged by what he has found. Wish Murry the best at the meeting and let him know that we really appreciate all that you have done for ARCA over the years.

Lastly i have included a few photos from the Heli-fun fly! Enjoy and Fly Safe!

Next Meeting  
Thursday Evening  
October 27th  
7:00 pm  
at the  
Flying Field

## Upcoming Club Events:

November 17th	Club Meeting Flying Field
