Meeting Minutes

October meeting of the Austin Radio Control Association

Pres Pat Fernandez called the meeting to order at 7:00 PM, there were 19 members present.

The September minutes were read and accepted was read.

The treasurer's report for September was read and accepted as read.

Old Business:

Ken said that the war bird/ big bird had 23 pilots and everyone enjoyed the event.

Bob Price said that the helicopter event had 31 pilots and they too enjoyed the event. Pat congratulated the CD's on the running of their events. And especially thanked Murray, Ed and Cliff for their work during both events.

New business:

Robin reported on collecting data for the expenses incurred during the events. Things like the cost of the hamburgers and steaks and what we charge at the concession stand. Many thought that the steak dinner was for the pilot's enjoyment and not to be a profit maker for the club. The concession stand is a different matter and that is where most of the profits for the events are made.

Bob Covish mentioned that our jet event has the lowest registration fee of all the ones he attends.
