

April meeting of the Austin Radio Control Association

Vice President Robin Masek called the meeting to order at 7:00 PM. There were 20 members and 2 guests present.

The minutes of the March meeting were read and accepted.

The treasurers report for March was read and accepted

Old business;

Robin discussed some unfinished projects from last year. Mainly, moved the north fence to be in line with the spectator fence, extending an electric line to the fence and upgrade of the power panel in the building. Installing siding on the inside walls of the building and repairing the shed door were also talked about. We would like to remind the members to announce your intentions going out to take off, when landing and crossing the runway.

New business;

Ken said the War bird event is going on as scheduled and asked for volunteers to work the event in any way they can.

Ham donated a case of PowerMaster fuel, which was raffled off to the members present.

Blue Max Award

Bob Price once again won the prestigious award by crashing not one but two jets at the jet rally.

Loyd asked for buddy box transmitters of any brand, the ones we have are getting beat up.

Meeting adjourned at 7:35 PM
