

August Meeting of the Austin Radio Control Association

President Pat Fernandez called the meeting to order at 7:00 PM. There were 24 members and 1 guest, Chuck Walter from Canyon Lake.

The minutes for the July meeting were read and accepted as read.

The treasurer's report for July was read and accepted as read.

Old Business;

Dick Maus and Cliff Speer reported on the club fun fly, it appears that all who attended had a great time and would like to see another event like this. GSWFF will be held at Waco on September 9-10. The Big Bird is scheduled for September 22-24 and the helicopter event in October.

New Business;

Jim Duda and Chuck Walter talked about a new class of entry-level pylon racing. This class allows only certain airplanes and any .40 size engine costing under \$100 dollars. There is a \$100 claim rule, which allows buying the winning engine. There will be demonstration races on Sunday morning for anyone interested in this type of racing. Report that some people using the field are not members, if anyone sees someone flying that they don't recognize, ask if they are members or not. If they are not, ask they cease flying and leave the field.

Blue Max nominees

Jack Lewis had the wing for his big Cap come off in flight and Robin crashed while trying the bomb drop during the Fun Fly. Robin won the Blue Max for this month.

Meeting was adjourned at 7:40 PM
