

March meeting of the Austin Radio Control Association

President Pat Fernandez called the meeting to order at 7:00 PM. There were 22 members present.

The minutes of the February meeting read and accepted as read.

The treasurer's report for February were read and accepted as read.

Old business:

The president thanked everyone who worked on putting up the new fence. He said that the new grille will be assembled before the Jet event and will be kept in the shed when not in use.

New business:

Field clean up on April 15th for the upcoming events, bring out weed whackers and blowers. Bob Covish brought up the subject of turbine flying during a burn ban. After some discussion, Pat said he would create an amendment to the Field Flying Rules, to rule on the flying of turbine powered aircraft during burn bans. This amendment will be voted on at the next meeting. Ken restated the fact that every member is responsible for the safe proportion of flying and enforcement of the field flying rules. If you observe someone flying in an unsafe manner or in violation of a field rule speak up.

Blue Max Award is given to Robby Holland who had his plane get away from him, become airborne and crash.

The meeting was adjourned at 7:45 PM
