

May meeting of the Austin Radio Control Association

President Pat Fernandez called the meeting of order at 7:00 PM; there were 14 members present.

The minutes for the April meeting were read and accepted as read.

The treasurer's report for April was read and accepted as read.

Old business;

Due to the gun club's discussion with the city, Pat would like to put some of the projects discussed last month on hold and try to build up the club treasury. The issue of turbine flying during burn bans was brought. Pat suggested that turbine flying be banned during an announced burn ban, if an event was scheduled before the burn ban such event will be held. A motion was made and passed by the members present.

New business;

A discussion of methods and means to increase membership was held with several ideas being presented. Fliers at local hobby shops and demonstrations at the field were some ideas. Inviting electric fliers to the field to see what we can offer was also discussed.

A club fun fly is being scheduled for July 29th any type plane is welcome.

The gate at the open must be locked also as the gun club is not performing this task as we thought. Last one out lock the gates.

Blue Max was awarded to Bill Schultz; his P-39 came apart in the air due to fuel soaked joints.

The meeting was adjourned at 7:45 PM
