

January meeting of the Austin Radio Control Association

President Robin Masek called the meeting to order at 7:00 PM. There were 16 members and 2 guests in attendance.

The minutes from the December meeting were read and accepted as read.

The treasurer's report for December was read and accepted as read.

Old business;

Robin purchased several plastic pads to make a helipad, location and installation to be determined at a future date. Bill Schultz is in the hospital and flowers were sent by the club.

New business;

Bob Covish mentioned the need for handicap parking and signs for such will be provided. Cliff reported on the search for a place to hold a swap meet. He asked for help in locating a suitable location. We will decide at the February meeting if we want to hold one.

Robin picked up a complete package, airplane, engine, radio and misc. accessories from a person who is moving and would like the club to use these items as the club sees fit. Robin asked what the club wants to do with all this equipment. A motion to raffle off the airplane package and a separate package for a toolbox was made and passed. It was left to the Executive committee to come up with a plan to initiate this plan.

Blue Max Award

Edwin Smith was nominated for crashing his giant biplane and Robin for crashing a big Ugly Stik. Robin won the award in a close vote.

Meeting adjourned at 8:00 PM

The 2 guests announced the opening of a new hobby shop in Cedar Park. Called Hobby Express, it's located ½ mile South of 1431 on 183 near a Popeye's Chicken. It will be open for business February 20th.
